GAMECOM 380

STEREO GAMING HEADSET

Step up your game

The Plantronics® GameCom® 380 headset delivers immersive, stereo sound with deep bass from 40mm swivel speakers. Easy on-ear controls and noise-canceling mic make this headset your weapon of choice. Superhero-strength cords and joints combined with ultra-comfortable ear cushions and headband let you play for as long as it takes.

Key features

- Experience immersive, stereo sound with deep bass from 40mm speakers
- Built-in axis spin joints allow the earpods to lay flat around your neck when you're taking a break, or for easy storage in-between competitive matches
- Noise-cancelling mic kills background noise so your team or opponents can clearly hear your calls
- Easy-to-reach on-ear volume and mute control let you keep your eyes on the game
- Superhero-strength cords and joints mean this headset is around for all your battles
- Ultra-comfortable ear cushions and headband make this headset perfect for gaming, and great for watching videos, listening to music and making PC calls
- 3.5 mm audio and headphone plugs for PC compatibility

On-ear headset controls

- Volume adjustment wheel
- Mute microphone switch – mute mic on and off
